As we draw to the end of this half term, we are able to look back on a busy 5 weeks. Our Year 6s have completed their SATs, our Receptions have been out on their trip to the Blue Planet, Yellow and Blue classes have been on residentials, Orange Class have been swimming, we had our finalists at the Rotary Art & Handwriting Competition and Indigo have been busy working on their Citizenship awards! The children have been superb, as they always are, and continue to make us proud.

Sport

Our Year 5/6 Cricket Team have made it to the County Finals! The team played brilliantly, winning all of their matches and qualifying for the Finals in Warrington in July. Well done to the team!

Year 6 SATs

After all of the waiting, learning and revision, Violet Class have completed their assessments and have breathed a huge sigh of relief! The papers all went well and all of us here at Pear Tree are incredibly proud of how the children conducted themselves in the lead up to them and during the week itself. They chose their own Friday as a reward for their hard work and even had pizza, chips and ice-lollies for their lunch!

Parking

Please park on the pub car park where possible and not the road, you do get 20 minutes.

PTS Summer Fair – Friday 6th June 4.30-6.30pm

A letter has come home with your child this week, please help out where you can.
